Other conditions

In compliance with the company's valid rules (i.e. the Directive for the Exercise of the Privilege of Gamekeeping in the Hunting Grounds of the Military Forestry and Lands of the Czech Republic; VLS), the trophy will be assessed by the company's committee and handed over to the hunter upon receiving all due fees.

The hunter is obligated to deliver the trophy on exposition pursuant to the appeal of a relevant forest administration.

The gamekeeper reserves the privilege to set the contractual prices prior to the hunt while keeping collective prices given in the price list.

Prior to the hunt, the gamekeeper and the hunter are obligated to sign a contract on realizing the hunt, its point value, price range and other services required.
